MEMORANDUM FOR MEMBERS OF THE IAC

SUBJECT: Revisions of Draft Terms of Reference of Warning Systems Survey Committee, forwarded on 1 May 1957

1. In accordance with discussions at the Watch Committee meeting on 8 May, I have revised a draft Terms of Reference of a Warning Systems Survey Committee. I have changed the name to "Committee" from "Group" and I have incorporated under D. Functions, certain suggestions made by the FBI and ACSI. Sections B, Mission; C. Justification; and E. Criteria, have not been changed.

2. The sample questions and the indicators of last-stage preparations forwarded on 1 May with the earlier draft Terms of Reference are unchanged and are presented in response to the request of the IAC on 9 April.

3. There is also attached a proposed Terms of Reference of a Warning Systems Survey Committee suggested by ACSI.
